I am a resident of the home at the address above. Today, I received the services indicated on this form. I also received instructions about how to use and maintain smoke alarms. It is my responsibility to maintain the smoke alarm(s) per the manufacturer's recommendations and to test the alarm(s) monthly. It is also my responsibility to make sure I have the appropriate type of smoke alarms in my home. Different types of alarms, ionization and photoelectric, detect fires differently and experts recommend having both types. It is additionally my responsibility to make sure that I have the appropriate number of smoke alarms and that the alarms are in appropriate locations. Furthermore, the American Red Cross and its partners are not responsible for determining the appropriate type, number or location of smoke alarms.
