Dear Workers of Wagoner,

The Wagoner History Center and Traci Baker Photography have partnered together to bring a new exhibit to the Wagoner History Center. The exhibit will be called "Workers of Wagoner" and will be a photographic display at the history center. This project aims to capture and recognize the workers in Wagoner that make our town a better place.

Traci Baker is the photographer for this exhibit and artistic project. Traci will visit different businesses in Wagoner and capture photographs of people in their chosen professions. The best 40 photographs will be selected for the exhibit. A panel of non-resident judges will choose the photos to be displayed. Exhibit decisions are final. The selected photographs will be revealed at the exhibit's opening in the Spring of 2023.

Thank you to Traci Baker Photography for partnering with us on this project.

For questions or more information, please call Dell Davis at 918-485-2554!

Sincerely,

Wagoner History Center
